- Hospitality and athletics
- Great for soaking heavy-duty stains
- Reclaims

FLEX PAX™ POWDER DETERGENTS

THE IDEAL OPTION FOR CONVENIENCE AND WASTE REDUCTION

FLEX Powder Detergents are also available in “FLEX PAX” for a fast and convenient product addition to each laundry load. The phosphate-free, water-soluble detergent pax is a popular pre-measured (2oz.) and simple-to-use item, delivering powerful cleaning performance, efficiency, consistency and waste reduction. FLEX PAX are available for purchase in various unit quantities.

FLEX POWDER STARCHES

ADD THE PERFECT FINISH TO YOUR LAUNDRY PROGRAM

We offer both an economical natural starch blend ideal for a wide range of water temperatures, and a premium modified starch-based blend to provide maximum performance in a laundry application. Both products provide a beneficial hand and body to a variety of fabrics and are the perfect finishing agent to add to your specific laundry program.
